SENTENCING

Muhammed Faisal, Judge:

In considering the defendant's sentence, I take into account that the defendant is a first offender, and his plea of guilty at the first instance and his plea in mitigation.

All the charges are interrelated, and around that this is a crime of opportunity.

I also take as mitigation factor is defendant's young age.

This does not mitigate the seriousness of the offences committed. And this should still be reflected in the charges.

Since the defendant has pleaded guilty, he is entitled to 1/3 discount in sentence, which is reflected in the individual sentence.

His sentence, is as follows:-

3rd Charge

4th Charge

16 months' imprisonment.

5th Charge

16 months' imprisonment.

Taking into consideration of the totally principle and single transaction rule, I order that the 1st and 2nd charges to run consecutively, and the 3rd, 4th, 5th and 6th charges to run concurrently to the 2nd charge.
